

THE 3

A bold hello. The sports sedan that started it all continues its exciting evolution with bold styling, modern finishes, and intuitive technology. Class-defining handling with a low center of gravity, lightweight components, and a suspension tuned to perfection, this compact sedan delivers incredible sportiness and dynamics. With the Adaptive M chassis with variable shock absorber adjustment, the characteristics of the chassis can be individually adjusted - from comfortable to particularly sporty with pronounced agile handling.

Aesthetically pleasing and a lasting first impression of the iconic BMW LED Headlights. The standard driver safety systems, the BMW 3 Series offers cutting edge driving technology with High-beam Assistant. This function automatically switches your headlights between low and high beams, letting you concentrate on your driving and safe for the incoming vehicles too.

Designed for driving pleasure with the eye-catching BMW Curved Display featuring the latest iDrive 8 Operating System, a new generation of displays, controls and software, combined with the exclusive easy-care upholstery in Sensatec impresses with its high-quality leather like touch. The perforation combines a sporty and elegant look with a pleasant seating sensation. The new 320i Sport includes even more convenient features such as Active cruise control with Stop&Go function that will make your journey even more enjoyable and safer.
